

**REQUEST FOR ACADEMIC CREDIT FOR
INDEPENDENT STUDY (IS)**

{ESE 599/TCOM 599/ESE 899 (Ph.D)}

**Electrical and Systems Engineering
Telecommunications and Networking**

Independent Study: Designed to provide the student with a unique learning experience not achievable by ordinary course work. You must identify a member of the University's Standing Faculty who is willing to direct your independent study and take responsibility for issuing your final grade. A maximum of **one c.u.** of ESE 599/TCOM 599 may be applied toward the MSE degree requirements. A maximum of **two c.u.'s** of ESE 899 may be applied toward the Ph.D. degree requirements.

Students must:

1. *Formulate* a proposal outlining the following:

- Introduction;
- Statement of the problem or objective of the study;
- Results expected;
- Manner of presentation of results (e.g. a final written report); and
- References where appropriate.

2. *Meet* with your Independent Study (IS) Faculty Advisor to discuss the proposal. Discuss how the credit will satisfy your curriculum requirements. **NOTE: The Advisor must include a short summary on the grading scheme to be used for the IS (i.e., what is expected from the student to receive an A, B, C).**

3. *Submit* this completed and signed form to the Graduate Coordinator in Moore Bldg, Room 203.

A copy of the proposal and grading summary from advisor must accompany this form.
